

PebbleCreek HOA Web Site

The web site URL is www.pebblecreekhoa.org. The first page you will see is the public page. From this page you can log in to the homeowner screens by selecting Homeowner Login from the menu options if you have an account. If you do not have an account you would select the menu option eForms. Complete the form and click on the submit button at the bottom. Account creation is not automatic as site access is restricted to homeowners. Information on the form is verified before an account is created. You will receive a response indicating the status of your request. If you use a spam blocker you may need to make changes to receive a response from the email address shertless@hotmail.com.

Site Search - Selecting this link will open a page where you can perform a search of the PCHOA web site for information that has been posted. Just enter your search criteria in the box and click on the search button. The results will list the pages that have your search criteria and indicate what section in which it was found.

Most Frequently Accessed Pages Link - There is a link near the top of the home page after you login that will take you to a page that contains direct links to the most accessed pages on the PCHOA web site.

Homeowner Home Page – This is the first page you will see after you log in. It contains some of the more frequently called PebbleCreek phone numbers, and references to some useful items which can be found on the web site. At the bottom of the page you will find a menu option that displays ‘**What’s New in the past 14 days**’. You can change the number of days to any number desired. Just enter the new number in the “Days” field and click on the “Update” button. Selecting any of these menu options will take you to the location on the web site containing the newly posted information.

What’s New – This page will display the What’s New selection that you found at the bottom of the ‘Homeowner Home Page’. It will show things that have been posted in the past 14 days. This menu option can also be found under the News menu at the top of the page. The number of days can be changed if you wish as indicated above, the default is 14.

Address Book – This option contains a list of all Homeowners that have access to the site and can be found under the Resources menu option at the top of the page. Homeowners have the ability to add information that they want to be available for viewing by other Homeowners. Your login ID and password can not be viewed by another Homeowner. NOTE: The basic information that will appear is the Homeowner’s name, address, phone number, and email address. This information can be blocked from viewing by others by selecting the “Hide from Address Book” option when viewing your profile. The ‘Address Book’ is a handy feature when you do not have access to your copy of the PebbleCreek Source Book. NOTE: this information is only available to Homeowners of PebbleCreek as they are the only ones that have accounts which allow access.

User Profile – This option contains your name, login ID, password, and other information that you may want to make available for viewing by others. You can add a picture that will appear when someone looks up your name. The information that you place here will be displayed when someone looks you up in the Address Book. NOTE: Your login ID and password will not be shown. You can change your login ID and password on the ‘User Profile’ screen by deleting the existing info and typing in the new ID and password. You must click on the ‘Save Changes’ button at the bottom of the screen to save any changes.

Events Calendar – This menu option can be found under the Activities menu at the top of the page. It contains entries for what is happening at PebbleCreek. When you access this screen it will show a calendar of the current month and a list of scheduled events for the month below. Any date on the calendar with a blue background indicates that there are activities scheduled for that day. The best way to view scheduled activities is to select only the category in which you are interested. Note that on the top left corner of the calendar it says ‘All Events’. Just to the right of this is a little arrow head pointing down. Click on the arrow head and it will open a menu which will provide the following selections: Activities Outside of PebbleCreek, Board/Committees, Clubs, Food & Beverage, General, and PC Activities/Events. These selections may change as dictated by the information that is submitted for posting. Selecting one of these items by clicking the left mouse button on it will remove all the others that are listed below the calendar. Clicking on one of the items listed below the calendar will provide detailed information on that item. If you click on any calendar date that has a blue background, it will produce a screen which shows all events that are scheduled in PebbleCreek for that day.
